Dear Vikki

Thank you for the very generous donation of £1262.14 towards the Saving Denman Appeal which was raised by members of Baslow WI. Well done for raising such a magnificent sum !

The appeal is nearing its conclusion and we have reached £531,000. The Steering Group are very pleased with this figure and we hope it will grow even more over the next couple of months.

The recent survey of Denman's buildings, commissioned by the NFWI has given us a clear indication of the work required over the next five years and the work outlined for the second year has begun.

Please pass my thanks on to the members of your WI, we really do appreciate your support for Denman. I hope we will be able to welcome some of you here in the future.

Yours sincerely
