

**BASLOW WI JUMBLE SALE**  
**SATURDAY 21 FEBRUARY**  
**2PM - BASLOW VILLAGE HALL**

This is our major fundraiser for 2015 - please support us. Help is needed at 10am sorting and 1.30pm selling. Come and join in the fun and find a bargain whilst you are there too!

**St Luke's Hospice:** We have received a message of thanks for all the used Christmas cards we collected at the January meeting. They will be used at craft sessions helping patients create something new for Christmas 2015.

**New WI Adviser for Baslow:** Liz Mangle is our new WI Adviser; she has taken over from Judy Cooper. Liz is a member of Barlborough & Clowne WI and has just taken on the role of Membership Support Committee Chairman for Derbyshire Federation. We look forward to welcoming her to our WI later this year.

**Baslow WI & Social Media:** During recent years the WI has worked hard to catch up with other organisations with regard to the way we communicate with members. At Baslow we are not being left behind! We now regularly share information with members in our WI, Group, Federation and in WIs around the World via our website, Facebook and most recently Twitter. Please join in, the WI is all about learning and sharing new things!

Talking about sharing, did you know that Derbyshire libraries provide, free of charge, a choice of thousands of eBooks to read on your iPad, eReader or Android tablet? Support your library.

**WI MEETING 2PM**  
**11 FEBRUARY**

**Speaker:**  
**Christine Thompson**
