Morning Julia. Glad that Keith got the best of the Baslow weather and will remind us of the UK weather from time to time!

Forgot to tell you that when I read the last newsletter we noticed that a Val B was mentioned. We also have a Val B and she was tickled pink to hear this and has reminded me to tell you!!! So I have now!

We are still plodding along with a wet winter here. Promise of a bit of sun today which will brighten the spirits!
