Hello Julia and girls,

I see that your meeting is today too! Ours was a week late this month as Elaine and I had to judge competitions for another Federation last Wednesday.

It was our AGM and we had 10/12 there which was very good. Nominated a new member who was with us previously before moving out of the district.

We had a prize draw for your gorgeous Christmas gift and our Secretary Pat won it. She was chuffed!

Read out your email and newsletter. Oh we do so love hearing about your 'circles' and all the fun that you have.

Had two weeks of great summer weather, but autumn is here now!

No, we are just sheep and beef here. No arable crops – too hilly for that! Our district is predominantly dairy though.

On the subject of stock, we have a new weaned calf that Elaine and Doc will be raising. He is a red Hereford steer and we have called him Prince Harry!!!! He will be sent away in a year or so and the funds will be used to pay for our delegate's expenses to our national conference, held in Wellington in 2018. Even years are in Wellington (Lower Hutt) from now on and odd years are in other cities shared between the islands.

Not much to report this time around. Keep well and warm.

Love to you all,

Denise and the H-H girls x x
