Hello dear Julia and the Baslow Darlings,

I had just received Julia's email and realised that we hadn't sent our condolences on the passing of the Queen.

She used to be the patron of the UK WI I think, but maybe now Camilla, Queen Consort has that job or even Sophie, the Duchess of Wessex?

We have all been watching many documentaries about the Queen this week. We marvel at all she did, with graciousness, humility, tolerance and love.

She put people at ease and was interested in what they had to say. She was a very learned person, that's for sure. So much for 'wasting education' on her at an early age.

Am sure there are lots of memorabilia at Chatsworth House to look at in future exhibitions too.

So, from the H-H Darlings, we send our love and best wishes to you all,

Denise x x
